<u>Website</u>

1. **Sustainability: 3 sub-tabs pages**
2. **Sub tabs to be in different color "White", Text in Black (implemented but we need the opposite)**

3. **Second Section in home page:**
   a. **To be faster**

   b. **To be opened and closed each time we scroll**
   c. **Reference: https://www.accenture.com/us-en**

4. **Take a Tour: Video not a picture**

5. **Reach out: different Design "Attached" to be static with the same design**
